PREFACE

The State Resource Centre for Women, Nagaland is pleased to bring out this compendium as the Second Volume of the Data Bank to assist women in finding out the various Central and State Government schemes and programs being implemented in the State for their welfare. This edition contains updated information on the various schemes that were included in the first Volume and in addition, some new schemes and programs that have been introduced in the State in the following years. We hope that the schemes and programs will be made more accessible to the targeted beneficiaries.

This Data Bank sets out as a platform for interdepartmental and intersectoral convergence of the various line departments. We are much obliged to the following Heads of Departments for their cooperation and contribution, and for readily providing the information we have requested of them: Department of Health and Family Welfare, Department of Horticulture, Department of Agriculture, Department of Employment and Skill Development, Department of Industries and Commerce, Department of Rural Development, Department of Soil and Water Conservation, Department of Technical Education, Department of Horticulture, Department of Science and Technology, Department of Land Resources, Department of Social Welfare, Rashtriya Madhyamik Shiksha Abhiyan(RMSA), Kohima Head Post Office, Women Resource Development, Nagaland State Rural Livelihood Mission and Nagaland State Social Welfare Board.

The satisfaction that accompanies the successful completion of any task would be incomplete without mentioning the people who are responsible for the success. I would like to make special mention of Vitsino Iralu and Cerina Keduokhonuo Belho (Call Responders of the Women Helpline -181), who took the initiative and along with their team members, Chothalü Phesao (Senior Call Responder, WHL-181), Akhrienuo Kire (Call Responder), and Jitsiasa Nyusou (Call Responder) were responsible in approaching the various departments and collating the data from each department to bring out this Data Bank; as well, Joseph Krocha, Assistant, SRCW, who meticulously arranged the layout design for the Data Bank. I would also like to mention Meneno V., Research Officer, SRCW for supervising and taking the responsibility with sincerity in outlining and editing this Data Bank and also providing guidance throughout the process of compilation.

I hope that this humble initiation of SRCW will serve its purpose of filling the gap of information, enabling our women to access the schemes and programs that are meant for them.

Daisy Mezbur
Secretary, NSSWB &
Mission Director, SRCW

INTRODUCTION

The State Resource Centre for Women (SRCW) - Nagaland Chapter was established in December 2012, and functions under the aegis of the Nagaland State Social Welfare Board (Nodal Agency), Department of Social Welfare, Government of Nagaland. The SRCW is the Project Management Unit (PMU) of the Beti Bachao Beti Padhao in the State and the Mahila Shakti Kendra (MSK) district level and MSK block level; it is also the Nodal Agency for implementing the two integrated schemes, viz., the Women Helpline-181 and Sakhi-One Stop Centre—all of which are under the Ministry of Women and Child Development, Government of India.

This Second Edition of the Data Bank is a broad compilation of information on women related Central and State Government schemes and programmes from seventeen Government Departments. In order to ease the search for the schemes and programmes, they are listed according to the implementing Agency/ Department in the State. The targeted beneficiaries of the various schemes and programmes for girls and women range from the time of birth to old age. It is therefore, hoped that women of all ages across the State would take the advantage and access the information provided in this book, and benefit from the many government schemes, programmes and services that are intended and available for them.

MESSAGE

I am happy to learn that the State Resource Centre for Women is bringing out the Second Volume of Data Bank which is a compilation of various women centric Schemes/Programs/ Services under the Central and the State Government.

This compilation of Data Bank will serve as a ready reckoner for all the schemes related to the welfare of women. The 1st Data Bank which was published in the year 2014 has proven to be very useful for dissemination of information regarding schemes for the welfare of women. With the renewed faces on schemes like Beti Bachao Beti Padhao, Women Helpline- 181, Mahila Shakti Kendra and Sakhi - One Stop Centre Development. Women will be able to find all details regarding these schemes in the 2nd Data Bank.

I congratulate the State Resource Centre for Women for publishing this Data Bank and hope that it achieves the objectives of sharing information for all Women.

MESSAGE

It gives me immense joy that the Second Volume of Data Bank, a compilation of various women centric schemes, programs, services under the central and state government has been brought out by Women Helpline 181 under the State Resource Centre for Women - Nagaland. There are various schemes for women both under Central and State Government; yet many are not aware, especially those in remote areas. Developing a book where all the necessary information are compiled makes it easier for reference and is time saving.

I am therefore, extremely happy and at the same time, confident that the second volume of data bank will be as resourceful as the first volume.

I congratulate the Women Helpline 181 and State Resource Centre for Women for developing the second volume successfully.

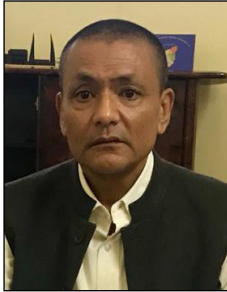

Lastly, I wish the team the very best in all their future endeavours.

MESSAGE

I am pleased to learn that the Women Helpline 181 which is being implemented by the State Resource Centre (SRCW) in the State, and has been operational since 23rd June 2016, is bringing out the Second Edition of the Data Bank, a compilation of Women Centric Schemes and Programs under the Central and State Governments. I am hopeful that this Data Bank will be instrumental in ensuring that correct information of Government Programmes is widely disseminated to all Women especially at the grassroots level. I believe that this commendable book, facilitating women in accessing Government Programs.

Since the Women Helpline-181 functions in convergence with various Government Departments, I also take this opportunity to encourage all the Departments in the State to come forward with a collaborative effort so as to promote Inter-Departmental convergence, for the larger benefit of our women. I am optimistic that this Data Bank will bridge the information gap.

I extend my best wishes to the Women Helpline 181 and the State Resource Centre for Women, Nagaland and hope that they will continue to accelerate the processes of uplifting women.

MESSAGE

I am delighted to note that the Second Volume of Data Bank, a collection of various Schemes/ programs/services for women has been brought out under the initiative effort of Women Helpline -181 under Nagaland State Resource Centre for Women. While the government has been giving top priority to improve the overall condition of women, the concern is that, many are not aware of these programs. As a result the pace of progress remained stunted. Therefore I am hopeful that this data bank will be an effective tool in dissemination of information at all levels.

I also appreciate the concerned department in contributing and extending their co-operation and wish the Women Helpline-181 team well their futures strive.

MESSAGE

It gives me immense pleasure that the Women Helpline 181 under the Nagaland State Resource Centre for Women, is bringing out the Second Edition of Data Bank, a collection of various schemes/programs/services for women under the Central and the State Government.

In Nagaland, for many women beneficiaries the first hurdle in seeking assistance from Government Department is lack of information. Therefore, through this Second Volume of Data Bank, I am hopeful that, our women will become more aware about the various schemes and programme that are existing in the area of health, education, social or economic sectors.

I hope the women, at all levels, will make best use of this information and become pioneering leaders of positive change in our society.

MESSAGE

I am pleased that the Women Helpline 181 under the State Resource Centre for Women is bringing out the Second Volume of Data Bank, a compilation of various women centric schemes, programs, services under the Central and State Government. This effort of SRCW, the nodal agency for Women Helpline-181, Sakhi-One Stop Centre as well as Mahila Shakti Kendra, will narrow the delivery gap which our women have been facing in accessing to the many schemes and programs available for them.

I am therefore, extremely glad that the SRCW is bringing out the Second Edition of Data Bank and has put their efforts in compiling all the necessary information from the various line Departments.

I congratulate the team and wish the best in carrying forward their mission goals in bringing about holistic development of women.

INTRODUCTION:

The *Beti Bachao, Beti Padhao: Save the Girl Child, Educate Her* was launched by the Prime Minister, Shri Narendra Modi on 22nd January, 2015 at Panipat, Haryana. This scheme aims to address the significant declining trend in the Child Sex Ratio (CSR) between 0-6 years of age. It aims to value and celebrate the girl child-ensuring her protection and enabling her education, and participation in the society.

According to the 2011 Census data of India, the CSR, calculated as number of girls for every 1000 boys between age group of 0-6 years, was at an all-time low of 918. Of the 100 gender critical districts identified across India, Longleng district in Nagaland has also been identified as one with its CSR at 885, indicating a sharp decline from 964 as per 2001 and 2011 census.

The Government of India, through the Beti Bachao, Beti Padhao (BBBP) scheme, therefore aims to address this serious issue through a mass campaign across the country and focused intervention and multi-sectoral action. The sharp decline as pointed by the census 2011 data is a call for urgent action, as it highlights that the girl is increasingly being excluded from life itself. Coordinated and convergent efforts are needed to ensure survival, protection and education of the girl child.

There are 1238 VDBs in the state with 2,43,265 taxpaying households. Fund under this programme is allocated on the basis of number of tax-paying household @ Rs.1000/- for implementation of developmental activities. This is the only programme which ensures the participation of women folk in the activities of VDBs by earmarking 25% of the fund allocated to the village. Another 20% of the fund is also earmarked for youth programme in all the villages. This scheme ensures the active participation of all sections of the rural people in taking up activities that is suitable to their needs. In addition, a mandatory scheme called VDB welfare fund is in place. This sector funds household for villages having 51 household and above from the general allocation to mobilize resources for the VDBs to supplement their activity. The deposits are made annually for a period of 6 years and at maturity, the interest accrued will be utilized for the scheme and the seed money is re-invested, creating a continuous cycle of resource to supplement the grants provided by the state. Under this scheme, income generating programme is being emphasized to be implemented to improve the economy of the rural areas.

Pradhan Mantri Adarsh Gram Yojana

DIRECTORATE OF RURAL DEVELOPMENT

Name of Scheme/Program	: Pradhan Mantri Adarsh Gram Yojana
Funding Ministry	: Ministry of Social Justice, GoI
Implementing/Nodal Agency	: Directorate of Rural Development, Government of Nagaland

INTRODUCTION:

The first ever model village in Nagaland to be adopted under the Sansad Adarsh Gram Yojana was inaugurated on Dec 18th 2017 at Seluophe in Dimapur. The SAGY will help in implementing various developmental schemes of the government. Seluophe is one of the two villages to be adopted by Lok Sabha MP, Neiphiu Rio-the other one being Longwa village, Mon district.

FORMS OF BENEFITS:

1. This village will get all the requisite physical and social infrastructure with the social economic development as per the norms mentioned under the scheme.
2. Disparities between the SC category population and non-SC category population will be eliminated through the scheme by avoiding the gaps of socio-economic development and infrastructure.
3. Based on the indicators of the socio-economic gaps between the SC category and Non-SC categories, the facilities and developmental proposals for economic growth will be implemented in the selected villages.

OBJECTIVES:

The main objectives of the program is to eliminate the inequalities between scheduled and non-scheduled category people in the locality where the existence of SC category population is more than 50%. Under the scheme, the SC category people of a particular village are able to access all the possible facilities and services which come under the scheme; developmental progress like drinking water supply, free education, basic amenities, common community building, financial security and also the other benefits of maintaining a livelihood lifestyle which can erase the inequality gaps between the SC category and Non SC category population.

ELIGIBILITY ON HOW TO APPLY:

Under the PMAGY, the authorized persons from the scheme will finalize the village which are eligible, based on the criteria which they used to follow for the finalisation. This information will give the entire detailing about the criteria for load and the reasons behind choosing these villages. Information on the developmental progress of the village will be taken to make it a model village.

Implementing/Nodal Agency	: Directorate of Science & Technology
Targeted Beneficiaries	: Women & Adolescent girls
Eligibility for availing the Scheme	: Any girl/woman
Forms of Benefit	: Avail sanitary Napkins at cheaper rates
Area Applicability	: Nagaland

INTRODUCTION:

The Department of Science and Technology has a very successful production unit for sanitary napkins and panty liners. The products are of high quality, cost effective, hygienic and environment friendly. High quality raw materials are being used in the making, though the price is always the lowest.

The reason behind this project is to create awareness among the women and the girl groups on the use of safe sanitary napkins and panty liners for personal hygiene. Women and girls living in the rural areas generally do not maintain cleanliness during menstrual period, and as result they automatically become the host of many infectious diseases. And it is hoped that the successful implementation of the programme will definitely control the spread of vulnerable diseases, and maintain a clean environment.

NOTE: The project is totally funded by the Govt. of Nagaland. The finished products are available during the office hours at Science & Technology Complex, Kohima, Nagaland.

Funding Ministry	:	Ministry of Urban Development, GoI
Implementing/Nodal Agency	:	Directorate of Urban Development
Forms of benefit	:	Provide basic services to households and build amenities in the cities and improve the quality of life.

INTRODUCTION:

AMRUT was launched on 25th June, 2015 with the aim to provide basic services to households and build amenities in urban areas to improve the quality of life for all the residents, especially the poor and disadvantaged. Two towns of Nagaland i.e., Dimapur and Kohima town are selected as per the guidelines of the Mission. Five hundred cities having population of more than 1 lakh will be benefited by the mission. In the AMRUT, MoUD has changed the tradition to give project by project sanctions, this has been replaced by the approval of the State Annual Action Plan once in a year by the MoUD and the states have to give projects sanctions and approval at their end. Government of India will provide 90% of the project cost to the cities, less than 10 lakh and 1/3 of the project cost to the cities having a population of more than 10 lakh.

The mission will focus on the following thrust areas:

1. Water supply
2. Sewerage facilities and septage management
3. Storm water drains to reduce flooding
4. Pedestrian, non-motorized and public transport facilities, parking spaces
5. Enhancing amenity value of cities by creating and upgrading green spaces, parks and recreational centres especially for children.

OBJECTIVES:

1. Ensure that every household has access to a tap with assured supply of water and a sewerage connection
2. Increase the amenity value of cities by developing greenery and well maintained open spaces e.g. Parks.
3. Reduce pollution by switching to public transport or constructing facilities for non-motorized transport e.g. walking and cycling
